MEMPHIS SCHOOL OF EXCELLENCE

Date: 04/04/2016

Subject: New Facility for Memphis School of Excellence

To: Students, Parents, Guardians, and Community Members

We are very excited to announce that Memphis School of Excellence has purchased the buildings on **4921 Winchester Road, Memphis TN 38118**. This new facility will be used for activities and sports starting 2016-2017 school year. MSE High School will completely be moved to new facilities in the fall 2017.

We believe moving MSE high school to a new building will help us better serve our students and our community. The new buildings will have 20+ classes along with a cafeteria, computer labs, and science labs. The new facility has 8.78 acres lot and has a full size football field along with several bleachers. The building includes a professional sized gym. Starting 2016-2017 school year, we will play all basketball, soccer, and volleyball home games in our new facility.

We want to thank everyone for their support.

Sincerely,

Muhammet Turkay

Executive Director / Principal
