MEMPHIS SCHOOL OF EXCELLENCE

Dear Parent/Guardian,

Memphis School of Excellence (MSE, Elementary, Middle, High) is now accepting applications for grades K-2 and 6-12 for the upcoming academic year (2017-2018). MSE is a **TUITION FREE**, college preparatory public charter school.

The mission of Memphis School of Excellence (MSE) is to provide a safe and collaborative environment which will cultivate the academic and social development for all students regardless of their socio-economic status by emphasizing math, science, and technology for the purpose of students setting and meeting higher education goals.

We strongly recommend that those parents, who seek a quality education, a safe environment, and a bright future for their children, apply immediately as limited space is available. Should the number of applicants be more than the number of vacancies available, a random lottery drawing will be held to select the students to be admitted.

In order to obtain more information, please visit our school web site or call us directly.
